Bergamo-Orio al Serio Airport is a common destination for several low cost companies. If you plan to arrive there, take a bus shuttle (navetta) to Brescia or go to the Bergamo City Railway Station by bus or taxi and take a train to Brescia (one train per hour, 1 hour travel time).

Please note that taxis may be very expensive in Italy. Both Milano-Linate and Milano-Malpensa airports are well linked with Milan City (by Train or buses) and once there you can take a fast train to Brescia (40 minutes travel time). There are Bus-shuttle too from Milan Airport to Brescia. Please take a look to the airport web sites.

By train:

Brescia sits on the main train line connection Milan-Venice. Journey times from Milan to Brescia are between approx. 40 minutes (Frecciarossa services) to slightly less than 1 hour 10 minutes (Regionale services). Fares range from €7,00 to €25,00 for a 2nd class ticket dependent on the service taken. For further information and tickets, see www.trenitalia.com or www.italotreno.it

By car

If you come by motorway, we suggest you to exit at "Brescia Centro" and park at the metro station "Poliambulanza", then you can take the subway (direction "Prealpino") and stop to "Vittoria" station.

If instead you want to reach the city center by car, the closer parkings are Piazza Arnaldo and Piazza Vittoria, at walking distance to the venue. You can find more info at www.metrobrescia.it.
